CHILD CARE FACILITIES

Bardstown Early Childhood Center

502-331-8804

980 Templin Avenue in Bardstown

Website: <https://bec.bardstown.kyschools.us>

Services. The Preschool Program is designed to be developmentally appropriate for young children, meaning that the program focuses on the child’s physical, intellectual, social and emotional development, including interpersonal, intrapersonal and socialization skills. It seeks to build a child’s intellectual and problem-solving skills, social-emotional, physical (large and fine motor), self-help, self-esteem, and communication skills. Curriculum is structured to be developmentally appropriate and child-centered. The role of the teachers is to support and extend each child’s learning through guided play and active exploration of materials. Parent involvement is an important factor in the development of every child.

Eligibility. Available for four-year old children whose family income is no more than 150% of poverty; all three- and four-year old children with developmental delays and disabilities, regardless of income; and other four-year old children, as placements are available based on district decision.
