

THE JOURNEY OF YOUR DONATION

Tri-County Kentucky
United Way

tricitykyuw.com

A donation is made to the United Way.

Donations are collected throughout the year from individuals, civic groups, companies, employees, and the United Way's Spirit 5k.

Agency programs submit funding applications to United Way.

Applications are reviewed by local volunteers. Volunteers visit programs and make recommendations to the Tri-County Kentucky United Way Board of Directors.

Board of Directors finalizes agency funding amounts based on dollars raised.

Dollars are sent quarterly to approved funded programs to provide vital services in the areas of:

Education

Financial Stability

Basic Needs

Health

An investment to the Tri-County Kentucky United Way will ensure agency accountability, effective outcomes, and the availability of an entire network of vital services for the greatest effectiveness in meeting the most critical needs within our local communities. Giving through the United Way maximizes your investment because your donation is combined with others to make a much broader impact on the lives of local individuals.
